

Instructions for Pre-Check
<https://prechequeo.inm.gob.hn/Login>

1. If this is your 1st trip to Honduras since 2020, create a new account [here](#). Before you get started, be sure to have your passport, flight info (flight and seat number), image of your vaccine card and Covid-19 test results (if applicable). Click on Crear cuenta (create account). You can choose to change to English under the blue “Crear cuenta” tab.

The screenshot shows the login and registration interface for the Prechequeo system. On the left, there is a login section with fields for 'Correo electrónico' (Email) and 'Contraseña' (Password), an 'Iniciar sesión' (Login) button, and a link for '¿Olvidó su contraseña?' (Forgot your password?). Below this is a registration section with the text '¿No tienes cuenta?' (Don't you have an account?) and a 'Crear cuenta' (Create account) button. At the bottom left, there are links for 'Español' and 'English', and a footer with contact information and copyright details. On the right, a large blue panel titled 'Pasos para crear tu prechequeo' (Steps to create your pre-check) outlines a three-step process: 01. 'Crea una cuenta de prechequeo' (Create a pre-check account) with a registration icon, 02. 'Inicia sesión en el portal' (Log in to the portal) with a person icon, and 03. 'Crea tu prechequeo' (Create your pre-check) with a document icon. A 'Screenshot' button is located at the bottom right of the blue panel.

2. Choose “Create a pre-checkin”

The screenshot shows the dashboard of the Prechequeo system. At the top, there is a header with the 'Prechequeo' logo and the text 'Sistema Integral de Control Migratorio'. Below the header, there is a navigation bar with 'Home' and 'Create a pre-checkin' links. The main content area features two summary cards: 'Current pre-checks' showing 'Entry : 0' and 'Exit : 0', and 'Historical pre-checks' showing 'Entry : 7' and 'Exit : 5'. Below these cards is a welcome message: 'Welcome to the digital platform of the National Institute of Migration of Honduras. Using our system you will be able to streamline your immigration process when you visit the authorized ports of entry and exit of the country. Please read the instructions carefully and complete the forms with truthful information. Also remember that the data provided in this platform does not represent the authorization of entry and / or exit from the country, the entry or exit of the country is subject to the immigration interview carried out in the border ports of the country.' At the bottom, there are tabs for 'Current pre-checks' and 'Historical pre-checks'.

Instructions for Pre-Check
<https://prechequeo.inm.gob.hn/Login>

3. Choose these entries from the drop-down options. Estados Unidos de Norte America is the USA.

The screenshot shows the 'Prechequeo' system interface. At the top, it says 'INSTITUTO NACIONAL DE MIGRACION' and 'Sistema Integral de Control Migratorio'. There are navigation links for 'Home' and 'Create a pre-checkin'. The main form is titled 'Create your pre-check now' and contains three dropdown menus: 'Select your origin country' (set to 'ESTADOS UNIDOS DE NORTE AMERICA'), 'Select your destination country' (set to 'HONDURAS'), and 'What's your nationality?' (set to 'UNITED STATES'). A 'Continue' button is at the bottom.

4. Choose the options I typed below. Palmerola is the airport you're flying into. The travel date I have on this example is not correct. This system will not allow you to enter your pre-check until 1-2 days prior to travel. Type the date of your travel (date/month/year). We've been advised to tell our travelers to not wait until the last minute to do this because the system frequently fails. The destination address is where you're going. Type this as I have typed it and take a copy with you on the plane because you'll have to fill out a form as well and include this address.

The screenshot shows the 'Prechequeo' system interface at the 'Trip information' step. The header includes the same navigation and language options. A progress bar shows three steps: '1 Trip information' (active), '2 Personal information', and '3 Review and confirmation'. Below the progress bar, a summary bar shows: 'Origin country : ESTADOS UNIDOS DE NORTE AMERICA | Destination country : HONDURAS | Nationality : UNITED STATES'. The main form contains several fields: 'Type of transport' (AEREO), 'Immigration office' (PALMEROLA), 'Transport company' (AMERICAN AIRLINES), 'Travel date (dd-MM-yyyy)' (28/01/2022), 'Travel reason' (TURISMO), 'Destination State' (FRANCISCO MORAZAN), 'Destination City' (GUAIMACA), 'Destination Address' (RV-932 hacia Orica, El Tomate, Guaimaca, Francisco Morazán), 'Travel time' (13:38), 'Stay (in days)' (4), and 'Flight number' (empty). A 'Cancel' button is in the top right corner.

5. There are way too many professions on their list, so we just choose religious for most everyone. Enter your passport number and expiration date (date/month/year) and other data that they request. *Note the drop-down at the top of this image. For future trips, you'll just click on your previous document that you have entered, and you won't have to enter so much data.*

The screenshot shows the 'Prechequeo' web application interface. At the top, the header includes the logo of the Instituto Nacional de Migración, the text 'Prechequeo Sistema Integral de Control Migratorio', and a language selector set to 'English'. Below the header, a navigation bar contains 'Home' and 'Create a pre-checkin'. The main content area features a yellow banner with the following information: 'Origin country : ESTADOS UNIDOS DE NORTE AMERICA | Destination country : HONDURAS | Nationality : UNITED STATES'. Below the banner, a dropdown menu is labeled 'List of travel documents you have registered. Select the one you will use on this trip, if not, fill in all the fields that are requested below'. The form is divided into two main sections: 'Document information' and 'Personal information'. The 'Document information' section includes fields for 'Document type' (PASAPORTE), 'Issuing country' (ESTADOS UNIDOS DE NORTE AMERICA), 'Document number' (123456789), and 'Expiration date (dd-MM-yyyy)' (31/12/2022). The 'Personal information' section includes fields for 'Name' (List First Name as it appears on Passport), 'Country of birth' (ESTADOS UNIDOS DE NORTE AMERICA), 'Surname' (List Last Name as it appears on Passport), 'Country of resident' (ESTADOS UNIDOS DE NORTE AMERICA), 'Date of birth (dd-MM-yyyy)' (01/07/1964), 'Profession or occupation' (RELIGIOSO), 'Gender' (MASCULINO), 'Personal phone number' (2705295221), and 'Personal e-mail' (rodeellis@gmail.com). At the bottom of the form, there are 'Back' and 'Continue' buttons.

6. This is what your document will look like after you've typed all the data. It will be sent to you via e-mail. Print the PDF that is sent to you via email and take it with you if you need to give it to someone. They likely won't ask for it because they'll see you entered the data when they swipe your passport. When you click save, you will be directed to another page to enter health information. DO NOT SKIP the final step!
